

HISTORY COURSE DESCRIPTIONS

| | | | |
|------------------------------|--|---------------------|-------------|
| Middle School History | | INSTRUCTOR | Wendy Clark |
| GRADE LEVEL | 6 th – 8 th | CREDIT VALUE | N/A |
| COURSE DESCRIPTION | This course uses a 3 year material rotation to ensure that the Middle School History topics are covered, but not repeated. This year we will be studying Alabama History. (Please note: If the topic is going to be a repeat for some of the students, there is a possibility we will change which one is covered for this year) | | |

| | | | |
|---------------------------------|--|---------------------|-----------------|
| World Physical Geography | | INSTRUCTOR | Traci Cleveland |
| GRADE LEVEL | 8 th – 12 th | CREDIT VALUE | 1.0 |
| COURSE DESCRIPTION | This class is a study of the earth’s physical geography. It will include topics such as: landforms, continents, map skills, latitude, longitude, this lithosphere, hydrosphere, atmosphere, and biosphere. The course will address how the physical geography of our planet affects our everyday life. | | |
| TEXT: | <i>World Physical Geography</i> , Brenda Runkle | | |

| | | | |
|------------------------------------|--|---------------------|-------------|
| World History and Geography | | INSTRUCTOR | Wendy Clark |
| GRADE LEVEL | 9 th – 12 th | CREDIT VALUE | 1.0 |
| COURSE DESCRIPTION | This is a general history course satisfying the high school requirement for World History. Viewing history through the lens of Christianity, this course traces man’s existence from the Garden of Eden to the 21st century, depicting world events in the light of God’s master plan. It explores the history of ideas and language, prehistoric times, art and music, revolutionism, socialism, communism, humanism, liberalism, and more. | | |
| TEXT: | <i>World History and Cultures in Christian Perspective</i> , 3rd Edition, ABeka Book | | |

| | | | |
|---------------------------|---|---------------------|-------------|
| U.S. History A | | INSTRUCTOR | Susan Bowen |
| GRADE LEVEL | 10 th – 12 th | CREDIT VALUE | 1.0 |
| COURSE DESCRIPTION | This course satisfies the high school U.S. History 1 Credit as it covers precolonial American through Ford’s Theater. | | |
| TEXT: | <i>United States History in Christian Perspective</i> , ABeka Book <i>The American Republic</i> , BJU Press | | |

| | | | |
|---------------------------|---|---------------------|-------------|
| U.S. History B | | INSTRUCTOR | Wendy Clark |
| GRADE LEVEL | 10 th – 12 th | CREDIT VALUE | 1.0 |
| COURSE DESCRIPTION | This course satisfies the high school U.S. History 2 credit and covers Reconstruction to modern day. In addition, this course will explore the 20th century through the lens of American popular culture – It’s influences on how we think, feel, vote, and live our lives, as well as its impact on judicial rulings. As such students will be asked to consider the ways in which they are both a user of and used by popular culture. We will begin the year by defining popular culture and students will be asked to think about ways that popular culture shapes American life. | | |
| TEXT: | <i>US History</i> , 4th edition, BJU Press | | |

| | | | |
|---------------------------|---|---------------------|---------------|
| Government | | INSTRUCTOR | Cindy Gilbert |
| GRADE LEVEL | 12th | CREDIT VALUE | 0.5 |
| COURSE DESCRIPTION | This course will explore American Government structures, the U.S. Constitution and other founding documents, ideas on government from the Founding Fathers to modern government. Discussion of current events and government procedures and actions will be included. | | |
